

TEP association (therapy for incomers) TEP works within InBáze z.s. Providing psychotherapeutic counselling to migrants and refugees.

We appreciate that you have confidently chosen our TEP therapists:

Therapists:

- are highly qualified
- are in the process of studies, or they have already completed their psychotherapeutic training
- are continually educated
- provide therapy in many different languages
- bound by secrecy and confidentiality
- provide therapy free of charge

Client:

- commits to go to therapeutic sessions at the indicated time
- if can not come to the therapy on time, let to know to the therapist at least 24h. prior to the session.

If these rules are not respected, the cooperation can be terminated by the therapist.

The therapy is free. If a client wants contribute for the educational needs of therapist (regularly or occasionally) , the contribution may be passed on to the therapist.

..

We believe our therapy makes you feel better.
